What Makes LCU-BSM CAMPUS The Best Choice?

- Our program is spiritually comprehensive and intensely practical.
- Our program is easily available and personally convenient.
- Our program is excellent.
- Our program is affordable.
- Our students have strong support from LCU-BSM Campus and the Main Campus.

Comprehensive & Practical

First and foremost in selecting a program of ministry education should be the doctrinal position of the school and the emphasis of the curriculum and courses. *Life Christian University-Beverly Smith Ministries Campus* believes in the whole counsel of God's Word and that each individual Christian should be spiritually equipped for complete victory in their own life and ministering to others.

The *Life Christian University-Beverly Smith Ministries Campus* program is designed to teach the student to walk by faith and receive the Lord's blessing in many areas of their own personal life. This would include receiving divine healing and exercising faith to live a life of Christ-like character having peace in one's home, receiving divine healing and health for your own body, and divine prosperity to accomplish the work that God has called you to. Having a good working knowledge of the New Testament and the benefits of being a believer are foundational prerequisites for a personal life of victory. After this solid foundation for ministering to others is laid, students may develop in special areas of ministry as they feel called by the Lord.

We believe that this University can be a dedicated extension in helping you with continuing ministry preparation and continued Christian education. We firmly believe that the Lord Jesus has greatly promoted the University and will give us rapid success because of the strength and anointing on the program of study. He knows what the Body of Christ needs in ministry training in today's world, and we feel extremely blessed to be one of His instruments of that training.

Available & Convenient

A ministry education and the corresponding degrees associated with that education are now available to anyone, anywhere in the world through *Life Christian University-Beverly Smith Ministries Campus*. Our students will come to our local LCU-BSM Campus. Our program allows you the student to study at home, at your own pace without having to relocate your family to a traditional university, Bible college or seminary. Most believers that sense the call of God on their lives to do something more for the Kingdom, or to enter into full time ministry, do not have the luxury to interrupt their lives and the lives of their family in order to pursue that call in the old fashioned traditional way. LCU-BSM Campus has removed all of those obstacles.

Superior Quality

Some the most gifted and anointed ministers are a part of the LCU-BSM faculty and the main campus faculty together as a team demonstrates the true New Testament model of ministry, with a true atmosphere of unity, love and honor.
